Welcome First Baptist CHURCH

Sunday, November 15, 2026

We exist to bring people to Jesus and membership in His family and to develop each believer to Christ-like maturity.

We welcome you as we gather to worship our Lord Jesus Christ.

Church Building Update

Pastor James and the general contractor met this week. The general contractor is still awaiting more information and direction from the insurance company and his sub-contractors. They are hoping to begin overhauling the damaged portion of the roof next week. The office has undergone an environmental assessment to determine the safety level of working in that room. No work can move forward until those results are received. Things are moving, but slowly. Please continue to pray for clarity and for the work to be done in a timely and professional manner.

Children's Ministries

Children will be dismissed after the Pastor's prayer.
